---

### Sponsorship Opportunities

United Philanthropy Forum offers several unique sponsorship opportunities in 2023 to show your support for the philanthropic sector and reach hundreds of philanthropy leaders from across the country.

#### Foundations on the Hill

Foundations on the Hill (FOTH) brings together more than 300 philanthropic and nonprofit leaders from across the country for meetings with Congress about key issues of importance to philanthropy, nonprofits, and the communities they serve.

The event is the one time each year when philanthropy speaks with a strong, collective voice on Capitol Hill. After being virtual for the past two years, the event will convene in Washington, D.C., in-person. FOTH allows sector leaders to the opportunity to educate Congress on the value of philanthropy to communities across country. FOTH 2023 will also offer a wide range of programming and networking opportunities designed to promote sector collaboration on key public policy issues.
